### Fall-to-Fall Retention Rates and Graduation/Transfer-out Rates

Montgomery College is pleased to provide the following information regarding our institution's retention and graduation/transfer-out rates. The information is provided in compliance with the Student-Right-to-Know Act of 1990 (P.L. 101-542).

Retention rates examine the percentage of first-time degree/certificate seeking students enrolled in the fall of the prior year who graduated by or enrolled in the fall of the current year. In accordance with the Higher Education Act of 1965, and the Higher Education Opportunity Act of 2008, Montgomery College is reporting the fall-to-fall retention (return) rates for new full-time and new part-time students. The data below represent the percentage of students who entered in fall 2019, 2020 or 2021 who returned the following fall semester (i.e., Fall 2020, 2021 or 2022). The three-year average return rate for full-time new students for fall 2019, 2020, and 2021 is 73.7% and for students beginning on a part-time basis is 51%.

#### Fall-to-Fall Retention Rates

Part-Time New Students	52%	46%	56%

The graduation/transfer rates reflect the completion and transfer-out status three years after entry in the College during a fall term. During 2020 fall semester, 1,849 first-time, full-time, degree-seeking undergraduate students entered Montgomery College. After three years (as of August 31, 2023), 27.5% of these students had graduated, and 21.8% did not graduate but had transferred to other post-secondary institutions of higher education – making the combined graduation or transfer rate 49.3%. The four-year average (for students entering in the fall semesters of 2017, 2018, 2019, and 2020) of three-year graduation or completion rates is 28.1% and the transfer-out rates is 20.8%.
