Club Name	Mission/ Purpose	Contact/ Email	Meeting
African Student Association	The mission of the African Student Association (ASA) is to build a welcoming community, share African cultures, and support the academic and personal growth of its members.	Steven Njilie Tchamanbe snjiliet@montgomerycollege.edu	Fridays 3-6 p.m. HS 011
Bio-Tech Club	This club was created to foster student interest in biotechnology outside of the classroom with events, guest speakers, book club discussions, updates on advancements in the field, and discussions on students' academic and career goals as they relate to biotechnology.	Devyn Jaynelle Dees ddees@montgomerycollege.edu	9/22 10/6 10/20 5 – 6 p.m. BE 105 11/17 5-6 p.m. BE 146
Campus Revival	Campus Revival is a Christian fellowship focused on Bible study, discipleship, prayer, evangelism, outreach, fellowship, and leadership development. The club provides students with an opportunity to grow in their faith, build supportive relationships, encourage one another academically and personally, and connect with students from diverse backgrounds. Campus Revival welcomes students interested in exploring and strengthening their Christian faith through community, service, and spiritual growth.	Kwami Tevi ktevi1@montgomerycollege.edu	Thursdays 12:45 – 2:15 p.m. HS 175 12/10 BE 160
Christian Challenge Club	This is a Gospel-centered community united with ONE HEART and ONE WAY. Our desire is to see THE WORLD changed THROUGH JESUS. We do this by making disciples who love sacrificially and serve passionately while growing deeper in their relationship with Christ.	Nick Cerda Ncerda@montgomerycollege.edu	Fridays 12-1:30 p.m. SA 304

Cyber Club	The purpose of this club is to create a path for people to network and become successful in cyber security field.	Paul Thompson Paul.thompson@montgomerycollege.edu	Every other Tuesday. 1:30-3 p.m. 9/15, 9/29, 10/13, 10/27, 11/10, 12/1, 12/15 HT 204
Dual Enrollment Club	The Dual Enrollment Club is a new student-led club designed to connect and support students participating in Dual Enrollment at Montgomery College. The club provides opportunities for students to build meaningful connections, develop leadership skills, grow personally and professionally, and become more engaged in the College community. Through educational, cultural, social, professional, and service-based activities, members will have opportunities to connect beyond the classroom, meet students from different programs and pathways, participate in events, and contribute ideas for future programming. While the club is centered on the experiences and success of dually enrolled students, all Montgomery College students are welcome to join, participate, and contribute to the club. The goal is simple: connect students, create opportunities, and strengthen the student experience at Montgomery College.	Joanna Quinones-Giron jquino18@montgomerycollege.edu	October 7 October 21 2-5 p.m. SA 304 November 4 & 18 1:30-4 p.m. HT 216 November 17 & 24 1:30-5 p.m. HT 216
3D Modeling Club	The 3D Modeling Club focuses on learning the fundamentals of Blender, a 3D modeling and animation software. Members will participate in hands-on challenges and longer-term projects to explore the many ways Blender can be used. Challenges might include creating a donut with sprinkles and glaze or animating	Lesver Arana Larana2@montgomerycollege.edu	Wednesdays 11:15 a.m. – 12:45 p.m. SA 301

	a bouncing ball. Overall, the club provides an opportunity for students to develop their creative and technical skills by transforming 2D concepts into 3D models and animations.		
Dungeons and Dragons Club	Are you ready to step into a world of adventure, imagination, and creativity? The Role-Playing Club is your gateway to exploring new realms, crafting unique characters, and telling epic stories alongside fellow enthusiasts. Whether you're a seasoned game master, a creative storyteller, or someone just curious about role-playing games, our club offers a welcoming and inclusive environment for all skill levels.	Garrett Redmond Gredmon1@montgomerycollege.edu	Fridays 4-10 p.m., on Discord. Contact leader for more information .
Entrepreneurship Club	The Entrepreneurship Club prides itself on educating and assisting college students in their curiosity and ventures towards starting their own business, or becoming people related to entrepreneurs. In this club you will learn about starting your own business and work alongside other members that have the same goals as you. In upcoming meetings we will collaborate with local entrepreneurs and hold fun activities for all our participants.	Eyad Aridi earidi@montgomerycollege.edu	Please contact organizer
Financial Literacy Club	The goal of the Financial Literacy Club is to organize meetings and actively plan ways to help students manage and afford their college expenses. We aim to collaborate with the Financial Aid Office to provide students with valuable information about FAFSA, the Maryland Higher Education Commission (MHEC), MDCAPS, scholarships, grants, and other financial resources. Through flyers, posters, workshops, and awareness campaigns, we hope to connect	Trivedi Swayam Strived3@montgomerycollege.edu	Tuesdays 10/27 11/24 Room: BE 148 11/10 12/8 Via Zoom Contact President

	students with opportunities to secure financial assistance and make paying for college more manageable.		for Zoom link
KPOP Club – Nite Lite	The mission of the KPOP Club is to celebrate and share our passion for all aspects of Korean pop music—artists, choreography, fashion, culture, and language. We aim to create an inclusive space where everyone can explore and express their interest in K-pop.	Ava Phan, aphan18@montgomerycollege.edu	Tuesdays 5-8 p.m. HS 011 Thurs/Fri 5-8 p.m. PK 106
Math Club	The Math Club is a community for students passionate about problem-solving, exploration, and collaboration. We host engaging activities like math games, competitions, and guest talks. Our vision is to inspire curiosity, build strong problem-solving skills, and create a supportive environment where students can grow academically and socially through mathematics.	Professor Bhale Pallavi.bhale@ montgomerycollege.edu	Fridays 11:30-12:30 p.m. HT 104
MSA	As a safe and open space for all Muslims, our MSA aims to help students learn about Islam, form lasting friendships, and grow together in faith and understanding.	Safiya Gulam sgulam@montgomerycollege.edu	Fridays 10/16, 10/23, 11/6, 11/20, 12/11 2:30-5 p.m. HT 401 11/13 2:30-5:30 p.m. SA 304
Nachle (Indian Dance Club)	An Indian dance club that brings students together through dance, culture, and community. The club will host several events throughout the year, including performances, cultural celebrations, and dance-focused events. Students of all experience levels are welcome to join and be part of the club!	Megha Arun marun@montgomerycollege.edu	Mondays 2:30-4:45 PK 106 Wednesdays 2:30-4:45 HS 011

Planet Garden Club	The Planet Garden Club brings together Montgomery College students who share an interest in gardening, sustainability, and community service. The club provides a welcoming space for members to exchange gardening ideas, learn eco-friendly and sustainable practices, and develop practical gardening skills.	rcephas3@montgomerycollege.edu	Please contact organizer
Philosophy Club	Explore different philosophical perspectives in an inviting environment. This would include reading from philosophical works and a lot of discussion. We would read everything from Kierkegaard, to Aristotle. It would also include writing articles comparing and evaluating different philosophical concepts.	Andrew Brachetti abrachet@montgomerycollege.edu	Mondays 3:30-4:30 p.m. HS 171
Pre-Health Society	The mission of the Pre-Health Society is to share the diversity of health careers and serve our community while doing so. The purpose of the club is to show that working in the health sector is not just about becoming a physician. Instead, there is an array of opportunities in diverse fields with important impacts on the quality of patient care. The club will also provide an opportunity for students to have a direct positive effect on the surrounding community- whether at a senior home, hospital, food pantry, or elsewhere.	Sariah Stephen Ssteph40@montgomerycollege.edu	Thursdays 12 – 1 p.m. HS 213
Renewed Minds	The purpose of this club is to bring awareness to women's mental health and create a supportive community where women can connect, encourage one another, and share experiences. The club will provide a safe and welcoming space to discuss challenges that women may face throughout college and everyday life while building meaningful connections and a strong sense of sisterhood.	Kayla Freeman kfreem39@montgomerycollege.edu	Thursdays, November 12th and 19th 5-6:30 p.m.

	College is an important stepping stone in both our personal and professional lives. By coming together, members can share knowledge, experiences, resources, and encouragement while building a network of supportive peers. The club will focus on self-love, personal growth, positive wellness practices, and finding healthy ways to maintain and support our mental well-being.		
Robotics Club	Robotics club is made for students to learn from each other while using multiple micro controllers like Arduino and raspberry pi using multiple programing languages and 3d printers to bring virtual designs into real life and to make interactive robots that are impactful and useful and to help student get to know about robotics.	Liya Fikre lfikre@montgomerycollege.edu	Wednesdays 11 a.m. – 1 p.m. SA 309 Innovation Center
[redacted] **Soccer Club**	The purpose of the Soccer Club is to provide students the opportunity to participate in noncompetitive soccer games and skill building. Being a part of this club is an wonderful opportunity and is a great way to meet like-minded people and make friends for a well-rounded college experience. Practice and pick-up games will be held on the field near the baseball field. All levels welcome!	Daniel Chibiko dchibiko@omntgomerycollege.edu	Fridays 11 a.m. – 4 p.m. Field
Tennis Club	This club was created to spread the love of tennis and create an opportunity for students to get involved, destress, and have fun while playing a beautiful sport.	Megha Arun marun@montgomerycollege.edu	Fridays 1 – 3:30 p.m. Tennis Courts
Official Student Organizations	**Mission/Purpose**	**Contact**	**Meeting**
Globe Newspaper	The purpose of The Globe Newspaper is to serve the Germantown community through news articles and stories. We provide articles, videos and photos that students would like to share with the community. Our mission is to provide news coverage	**Diane Chapin** diane.chapin@montgomerycollege.edu	Fridays 3 – 5 p.m. SA 301

	that will help benefit each other in the long run.
