## Does Montgomery College offer student financial aid in the summer?

Yes, to receive summer financial aid, students must be in a degree seeking program at Montgomery College and register **ONLY** for classes that lead to a degree in their declared program of study (major) or approved certificate programs at MC as well as meet all other financial aid eligibility criteria. *We cannot provide financial aid to "visiting" students who are pursuing degrees at other colleges or universities*

If you are a visiting student – Please view the instructions for [visiting students](#) on the MC College website. If you are an MC student visiting another college for the summer please submit [this form](#).

## Which Free Application for Federal Student Aid (FAFSA) do I complete for summer?

ALL students must complete the 2023-24 FAFSA by June 30, 2024 to receive financial aid for summer 2024. If you have already completed this form and received financial aid for the fall 2023 and/or spring 2024 semesters, you do not need to complete it again. Students transferring to MC from other schools should go to [www.studentaid.gov](http://www.studentaid.gov) and add MC's school code: 006911 to their FAFSA so the College can receive your information. If you did not attend MC in the fall or spring, but have registered for fall 2024 you must complete both the 2023-24 and 2024-25 FAFSAs.

## I received a Pell Grant in the fall and spring semesters of this academic year. Can I receive the grant for summer?

Yes, If you received full-time Pell grants in fall 2023 and spring 2024 you may have up to an additional semester of a scheduled award in one year. You **MUST** be enrolled in a minimum of 6 credit hours (combined Summer I and Summer II enrollment).

If you did not enroll full-time in both semesters during the academic year, you may have remaining Pell grant available for summer from your initial yearly award. The financial aid office will calculate your summer Pell grant according to the level of your summer enrollment on a case-by-case basis. We combine your enrollment in Summer I and Summer II to determine your total summer enrollment. Any amount received during the summer session counts towards a student's lifetime Pell Grant eligibility.

*If your expected family contribution (EFC) is greater than 5900 you must be enrolled for a minimum of 6 or more credit hours to receive Pell Grant. If your EFC is between 5900 and 6656, check with the Office of Student Financial Aid regarding your specific EFC and credit hour requirements to receive summer financial aid.*

*Any amount received during the summer session counts towards a student's lifetime Pell Grant eligibility.*

## May I borrow a Federal Direct Loan for summer?

You must have completed a minimum of six credit hours in the spring 2024 semester and enroll in at least six credit hours in summer 2024 (combined Summer I and Summer II enrollment) to qualify for a spring/summer Federal Direct Loan. If you were not enrolled during the 2023-24 school year, you may be able to borrow for summer only. If you borrowed your maximum annual loan eligibility during the fall 2023 and/or spring 2024 semesters, you may not have remaining Federal Direct Loan eligibility for summer 2024.

*Submit the Loan Change Form, located in the MyMC portal. "Click" on Financial Aid and scroll down to the General Financial Forms box and select 2023-24 Direct Loan Change Form.*

## Does MC offer any other grant assistance for summer?

Other grant assistance is usually not available for summer. If funds are available, they are awarded for summer session I to students who already have an application on file.

## Is there any financial aid for recent high school graduates?

Yes, if you graduate from high school in May or June 2024. To determine Pell Grant eligibility, you must complete the 2023-24 FAFSA by June 30, 2024. You must also complete the 2024-25 FAFSA to continue receiving aid for the 2024-25 school year.

## Not eligible for summer aid?

*If you are not eligible for financial aid for any reason, you will be responsible for 100% of all tuition and fee charges.*
